Description

This is an absolutely unique opportunity to obtain a complete original Doctor Who Costume from the very last original series Doctor Who story 'Survival'. Originally purchased from the Bonham's Doctor Who Auction on Saturday 11 May 1991.

The Head Cheetah Person, Karra - played and worn by actress Lisa Bowerman.

The complete costume comprises 8 seperate items, and these are listed below.

1. JACKET - A complete one piece cheetah fur jacket, worn by the actress underneath the outer clothing layers to give the impression of realistic fur skin covering. Velcro fastening along the front of the jacket.
2. TUNIC - My favourite part of the costume, fantastically detailed tunic, that sits over the cheetah fur jacket and blouse, this has tons of items sewn into and onto - including feathers, actual bones, various trinkets and trophies obviously obtained from the Cheetah's victims.
3. OVER-CLOAK - Self explanatory this item, designed and shown in the story as sitting on top of the rest of the costume, for those chilly nights in the desert.
4. BLOUSE - Again as it suggests, a heavy duty cotton like blouse that was worn by the actress over the top of the cheetah fur jacket, to increase the impression of clothes on top of the 'real' fur body of the cheetah. Like all items coloured and detailed to match closely with the rest of the costume.
5. SKIRT - Long material skirt again detailed and colour matched to the rest of the costume.
6. BELT - Lovely detailed belt, coloured and detailed to match costume, with attractive buckle, dangly bits and accessories attached that match detailing on the tunic.
7. GLOVES - Pair of gloves with cheetah fur attached
8. BOOTS - Full length pair of knee boots, coloured and detailed to match costume, complete with furry cheetah paws and the actresses name marked inside the boots.

This is one of the nicest BBC produced costumes I have ever seen, hence why I originally bought it. As this is a principle's costume and was featured heavily in the televised story in close up, the costume is extremely detailed - and of course also has the claim to fame of being the last enemy to feature in the original Doctor Who series.

In addition to the full costume listed above, for authenticity purposes I will also be including the original Bonhams auction catalogue that contains the costume description, and also an original BBC Video Release copy of the Doctor Who Story 'Survival'. Due to the unique nature of this costume, and the high price I original paid for it, this auction does feature a reserve price that needs to be met, and relatively high carriage costs since the complete costume is very heavy and will be sent by a reliable carrier service that will include compensation and require a signature on delivery.

Please e-mail any enquiries about this auction, in plenty of time.

Good Luck and Happy Bidding.
